Just a quick note!

It's that time of year again and we are excited to let you know that our community is getting ready for a little **TLC!**

So, what's happening?

First up is.....

WHAT: Pressure washing

WHEN: **WEDNESDAY, October 12th**

WHERE: All exterior common areas including stair wells, breezeways and sidewalks.

WHAT DO I NEED TO DO?

Remove all personal belongings from these areas the night before

WATCH YOUR STEP! These areas will be wet!

LET US KNOW how things look when they are done. We are always looking for ways to make our community a better place.

Second is.....

WHAT: Pest Prevention

WHEN: **FRIDAY, October 14th** **From 9am until completed**

WHERE: YOUR APARTMENT

WHAT DO I NEED TO DO?

Be prepared for the pest control company to access your kitchen and bathroom cabinets. They will be applying a safe pest control gel to each cabinet to prevent any unwanted pests. ☺

Make sure your pets are secured away from the areas being sprayed.
